

LEAD WATERWAYS CHAPLAINS

£35,097 pro rata - 20 hours - home based

'To be a catalyst in the waterways communities to bring about short and long term personal transformation – emotionally, mentally and spiritually'

Are you:

- Experienced in spiritual leadership in a church or voluntary setting?
- Able to work with people across a wide diversity of backgrounds?
- Resilient and a self-starter?

Waterways Chaplaincy seeks to reach out to people in our Waterways communities. We have an exciting opportunity for two new leaders to join us, with responsibility for leading our work in the North and South. As a member of the leadership team, you will assist in the leadership of this ecumenical fast growing, outreach ministry and develop our volunteers within the area as well as create new opportunities within your respective areas.

Closing Date: 30th June 2019
